

NETAJI SUBHAS INSTITUTE OF TECHNOLOGY

(An Autonomous Institution under Govt. of NCT of Delhi)

Azad Hind Fauj Marg, Sector 3, Dwarka, New Delhi-110075

12th Annual Convocation

Netaji Subhas Institute of Technology

(An Autonomous Institution under Govt. of NCT of Delhi)

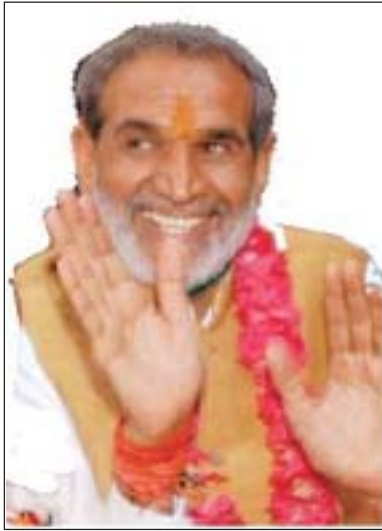

15th September 2004

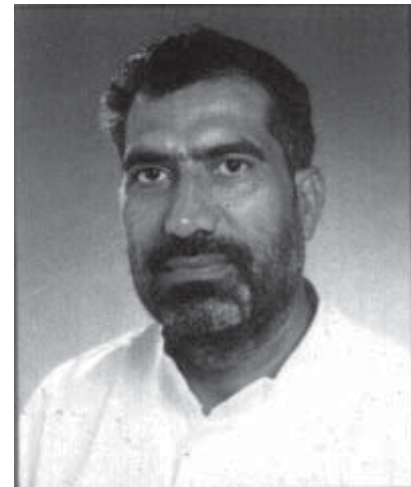

Smt. SHEILA DIKSHIT
Hon'ble Chief Minister, Govt. of NCT of Delhi
and
Hon'ble Chairperson of General Council of NSIT Society

Shri Sajjan Kumar
M.P.

Shri Dharam Dev Solanki
M.L.A.

Shri S. Regunathan
Chief Secretary
Govt. of NCT of Delhi

Sh. R. S. Sethi
Principal Secretary
Department of Training & Technical Education,
Govt. of NCT of Delhi

Netaji Subhas Institute of Technology

12th Annual Convocation 2004

PROGRAMME

- 10.30 -10.40 a.m. : Procession starts and enters the Hall.
(All will stand up in the Hall)
- 10.40-10.42 a.m. : Dignitaries get seated, Bouquet presentation and Introduction of Guests.
- 10.42-10.45 a.m. : Lighting of the lamp by the Chief Guest.
- 10.45-10.50 a.m. : Invocation by Choir Group.
- 10.50-10.51 a.m. : Convocation to be declared open by Shri S. Regunathan, Chief Secretary, Govt. of NCT of Delhi.
- 10.51-11.00 a.m. : Director's Report.
- 11.00-11.10 a.m. : Speech by Shri D. D. Solanki, MLA.
- 11.10-11.15 a.m. : Speech by Shri Sajjan Kumar, Area M. P.
- 11.15-11.30 a.m. : Presentation of Medals by the Hon'ble Chief Guest.
- 11.30-11.35 a.m. : Administration of oath by Prof. Raj Senani.
- 11.35-11.50 a.m. : Convocation Address by Smt. Sheila Dikshit, Hon'ble Chief Minister, Govt. of NCT of Delhi.
- 11.50-11.55 a.m. : Vote of Thanks by Dean Academic.
- 11.55-12.00 noon : Convocation to be declared closed by Shri R. S. Sethi, Principal Secretary, DTTE, GNCT, Delhi.
- 12.00-12.50 p.m. : Degree Distribution.
- 12.50 p.m. : National Anthem.

Annual Convocation
2004

DIRECTOR'S REPORT

Professor Ranjit Singh

Esteemed Chief Guest, Hon'ble Smt. Sheila Dikshit, Chief Minister, Govt. of NCT of Delhi, Special Guest of Honour, Sh. Sajjan Kumar, Member of Parliament and Sh. Dharam Dev Solanki, Member of Legislative Assembly, Distinguished Guest of Honour, Sh.S.Regunathan, IAS, Chief Secretary, Govt. of NCT of Delhi, respected Sh. R. S. Sethi, Principal Secretary, Training and Technical Education, distinguished guests, Members of the Faculty, young

Graduands, Members of the Press and Media, Ladies and Gentlemen, I am highly delighted to extend hearty and warm welcome to all our distinguished luminaries on the dias, and each one of you present on the auspicious occasion of '**Annual Convocation**' of Netaji Subhas Institute of Technology (NSIT).

We are highly grateful to Hon'ble Smt. Sheila Dikshit, Chief Minister, Govt. of NCT of Delhi, and feel highly

honoured by her benign presence, who has very kindly accepted our invitation to deliver the Convocation Address to the young aspiring graduands at this occasion.

We are also deeply indebted to our Hon'ble Chief Minister Smt. Sheila Dikshit, who has always shown a deep personal interest in the growth and development of this Institute. She has been especially interested in the development of technology and promotion of entrepreneurship in the country. She practices the beliefs that if democracy is to truly survive in India, the basic norms of correct behavior and rectitude have to form an integral part of public life. I earnestly hope that the guidance and blessings of our Hon'ble Chief Minister will continue to encourage and inspire us to fulfill the task of transforming NSIT into a world-class technical institute of excellence.

We are highly thankful to Sh. Sajjan Kumar, our M.P., Sh. Dharam Dev ji, MLA, for their constant guidance and encouragement, Sh. Regunathan ji, Chief Secretary, Govt. of NCT of Delhi and our Principal Secretary, Sh R. S. Sethi, IAS, under whose dynamic leadership the Department of Training & Technical Education Govt. of NCT of Delhi has made phenomenal progress. We are also delighted to receive our distinguished alumni and a large number of young graduands at this auspicious occasion.

The convocation is a solemn occasion in any academic institution on successful completion of the academic requirements of the students. It is on this occasion, we bestow upon the young graduands the degree and they are ordained to wear the robes as an insignia of the degree and are to uphold the high ideals of human values in the practice of their profession. They are also called upon to devote themselves to the service of their motherland and the mankind at large. Therefore, at the outset, let me congratulate all the graduates and

post-graduates, who are receiving their degrees as well as the recipients of medals and awards for achieving the distinction.

I take this opportunity to present to you a brief report highlighting the activities, achievements and future plans of the Institute. We at NSIT are striving to achieve excellence in our activities, namely academic and research programmes leading to Bachelor's, Master's and Ph.D. degrees, research and consultancies, continuing education programmes, technology developments, entrepreneurship and interaction with the industry. We are conscious of our responsibilities and the expectations of the nation with regard to human resource development.

ACADEMIC

The Institute is offering the following UG Programmes with the intake as shown against each.

- B. E. (Electronics and Communication Engineering) 100
- B. E. (Computer Engineering) 100
- B.E. (Instrumentation and Control Engineering) 100
- B. E. (Manufacturing Processes and Automation Engineering) 60
- B. E. (Information Technology) 60
- B. E. (Bio-Technology) 20

The intake is intended to be doubled in all the branches in the near future.

POST GRADUATE PROGRAMMES

The ongoing PG programmes are :

- M. Tech. (Signal Processing)
- M. Tech (Information Systems)
- M. Tech. (Process Control)

The following six new M. Tech. programmes are also approved by the AICTE. The approval from the University of Delhi is awaited.

- Digital Systems Design (ECE)
- Mechatronic Systems (ICE and MPAE)
- Industrial Electronics and Automation (ICE)
- Bio Informatics (BT and COE)
- Production & Automation Engineering (MPAE)
- Biomedical Engineering (ICE)

Ph. D. PROGRAMMES

The Institute faculty is actively engaged in conducting as well as guiding research. The Institute is conducting Ph.D. programmes in a number of areas in most of the Divisions. The details of the ongoing Ph. D. programmes are as follows:

- Ph.D. degree already awarded 13
- Scholars pursuing Ph.D. under NSIT faculty 23
- Teaching-cum-Research Fellows (TRF) under NSIT faculty 06

- Pursuing Ph.D. with External supervisors 10
- Total number of research scholars currently enrolled are : 39

ACCREDITATION OF COURSES BY AICTE

The undergraduate programmes leading to the award of B. E. degree of this Institute are considered par excellence and have also been accredited by the AICTE. In fact, we are the only Govt. Institution in the NCT of Delhi whose courses are accredited by AICTE.

STUDENTS' ACADEMIC ACHIEVEMENTS

Our students have made significant academic achievements in some competitive examinations held at national and/or international level. The following students secured ranks/positions in the University of Delhi during the sessions; 2001-2002, 2002-2003 and 2003-2004.

2001-2002

TOPPERS

1.	D. Lakshmi (W)	13/ECE/97	ECE	85.06%
2.	Gaurav Jain	117/COE/97	COE	86.72%
3.	Sonia Singhal (W)	236/ICE/97	ICE	87.45%
4.	Divya Soni (W)	308/MPA/97	MPA	85.77%

TRAINING & PLACEMENT

Practical Training is a very important component of the engineering curriculum. As a part of the curriculum, arrangements are made for the students to undergo practical training during winter and summer vacations in multinational companies/private/public sector undertakings/Government departments and the laboratories of the Institute.

Campus Recruitment Programme conducted by the Institute is a very vital activity for the young engineers aspiring for appropriate placement in Government Departments, MNCs, Private/Public

Sector Undertakings etc. The Institute has an excellent record of assuring confirmed jobs in MNCs and prestigious industrial organizations.

Of the eligible students, graduating in June 2004, 97% have been offered jobs by reputed firms with salary ranging from Rs. 2.5 Lacs. to Rs. 8.25 lacs. per annum. The Institute is giving a great deal of emphasis for strengthening the Industry-Institute interaction as well as interaction with other educational institutions and R & D laboratories, both at the national and international levels.

EXTRA CURRICULAR ACTIVITIES

The following extra-curricular events are being organized in the Institute every year:

- SPIC MACAY (VIRASAT)
- INNOVISION
- RESONANZ
- NATYA-RANG
- MOKSHA
- ANNUAL SPORTS AND ATHLETICS MEET

FACULTY

NSIT has very dedicated and committed faculty members, some of whom are recognized internationally for their quality of research. A number of faculty members are also associated with several decision-making bodies in providing advice on policy matters and technical issues at National level. Many of our faculty members serve on the Editorial Boards of reputed journals, review papers for publications, serve on committees for recruitment of professionals, and are on the Boards of many institutions and organizations. They are also hired as consultant by many Govt. agencies/MNCs.

During the year 2001-2004, Faculty members have published 67 papers in national and international journals and presented 60 papers in national and international conferences. Faculty members have also published 3 books.

CONFERENCES/WORKSHOPS/ SEMINARS/COURSES ORGANIZED

The Institute takes keen interest in organizing Conferences, Workshops, Seminars and Short-term courses for the benefit of faculty members and students as well as for practicing engineers from other engineering institutions, industry and R&D

organizations. The following important conferences and Summer Schools have been organized in the recent past:

- National Conference on 'Optics and Photonics in Engineering' was organized by Netaji Subhas Institute of Technology, New Delhi, on 6-8 January 2003.
- COE Division of NSIT organized a VLDB summer School on Frontiers of DATA BASE TECHNOLOGY along with IIT, Delhi and Department of Computer Science, Delhi University, at IIT, Delhi 1-4 June 2004.
- ICE Division of NSIT organized three short term training programmes sponsored by ISTE/ AICTE:
 - i) Mechatronic Systems in June 2003.
 - ii) Industrial Electronics and Automation in July 2003.
 - iii) Neural Networks in December 2003.

INFRASTRUCTURE WORKS

The Institute campus is spread over on 145 acres of land. As per the Master Plan approved by DDA in the year 1992, 244311 sq.m. area of the buildings is to be constructed in phased manner.

PHASE-I/II

The following buildings under Phase-I & II have since been completed:-

- Administration Block (5393 sqm.) has been completed.
- Academic Blocks-4,5, 6 & 8a (29759 sqm.) have been completed.
- 169 No. Residential Flats (15680 sqm.) have been completed.

- Construction of ground floor of Library & Computer Centre (1952 sqm.) has been completed.
- 2 Nos. Hostels, one each for Boys (5712 sqm.) and Married Students (3743 sqm.) have been completed.
- 5 Nos. Electric Sub-Stations (1206 sqm.) have been completed and energised.

All necessary infrastructure/development works such as external water supply, Reverse Osmosis Water Treatment Plant, Storm Water Drain, Roads, Sewer, Street Lighting, Sub-Stations, U.G. Water Tanks, Boundary Wall etc. have been completed under Phase-I & II.

PHASE-III

The status of the buildings to be constructed/under construction in Phase-III is as under :

- Work of Extension of Library was awarded to M/s. Surya Engineers on 8.8.2003. RCC of 2nd floor is under progress.
- Preliminary estimate in respect of Auditorium, Sports Complex and Faculty Housing have been approved and detailed estimate in respect of above are under preparation.
- Supplementary development works such as levelling, water supply, sewer, roads etc. under phase-III shall be taken-up in a phased manner as the construction works progresses.
- Preliminary Estimates for Guest House & Commercial Complex are under preparation.

The construction work under Phase-III is proposed to be completed by March, 2006. Estimated cost of works under Phase-III is Rs. 34.11 Crores.

PHASE-IV/V

Construction of buildings under Phase-IV & V (145446 sqm.) shall be taken up after completing the Phase-III works and a separate EFC Memo shall be submitted at appropriate time.

INSTITUTE NETWORKING SCHEME

State-of-the-art network connectivity has been provided in all the labs in all the labs, class rooms, offices & residences of faculty & officers of the institute. Institute also intends to extend the LAN access up to students' hostels.

COLLABORATION

The Institute has recognized that for progress and academic excellence the need of the hour is 'Collaboration'. The Institute, is, therefore, and is planning to team up with prestigious and renowned Institutes/University of the world and Industrial Organizations of repute.

- **MOU between NSIT and Technical Educational Institutions:** One such MOU had been operational between NSIT and IIT Delhi in the past.
- **MOU between NSIT and reputed Industrial houses:** The modalities for a course on Embedded systems under such an MOU are currently being worked out.
- **MOU between NSIT and foreign Universities:** Preliminary discussions with University of Leeds, UK currently underway.
- **MOU between NSIT and R & D organizations.**

CENTERS OF EXCELLENCE

The Institute had set up the **Center for Electronics Design and Technology** (CEDT) under the ECE

Division in 2003. We intend to create four more centers in the other divisions of the institute as follows:

- Centre for Virtual Reality and Multimedia (COE)
- Centre for Virtual Instrumentation and Control Technology (ICE)
- Centre for Rapid Prototyping and Product Design (MPAE)
- Centre for Application of Information Technology in Financial Systems (IT)

SOCIALLY RELEVANT DEVELOPMENT PROJECTS

We are conscious of fulfilling our responsibility and commitment towards the society. Our desire to be excellent and a model institution in the country, has lead to the path of achieving a unique status in the field of education and technology. As a part of our societal commitments, the Institute has taken up a number of socially-relevant projects. Three such projects under the 'Energy Park' are:

PROJECTS BASED ON SOLAR ENERGY

- The Project of Construction of Guest House Based on Passive Cooling Architecture and Completely Energized by Non-conventional Sources of Energy is underway.
- Two Scheffler Type Community Solar Cooking.
- Installation of Photovoltaic Solar Streetlight.
- Installation of Solar Water Heating System at Girl's Hostel and Director's Residence.

WATER MANAGEMENT

- Rain Water Harvesting and Ground Water Recharge.

- Sewage Treatment Plant through Eco-friendly Non-mechanical Root Zone Technology.

ECO FRIENDLY PROJECTS

- Herbal Cultivation & Procurement of Farm for Herbs of Medicinal.
- Tree Plantation.

All the above projects have been funded by Delhi Government/ other Government agencies. Through such an effort, we are able to demonstrate the enhancement and optimum utilization of the Non conventional energy sources to our students and thus, inculcate social & national accountability.

FUTURE PRIORITIES

NSIT has already achieved a distinct place amongst the institutes of excellence by winning 'Bhartiya Vidya Bhawan National Award' by the Indian Society for Technical Education in 2002 in recognition of its overall performance in the field of Technical Education in the Country. The Institute has been conferred this award from a chosen group of over 1200 private and Govt.-run State-level Technical Institutes in the Country excluding IITs.

Though the Institute is currently affiliated to Delhi University for its academic programmes, obtaining a 'Deemed to be University' status is a cherished goal as originally conceived in the document on the 'Profile of the Growth' of the Institute.

To conclude, apart from strengthening the existing programmes, we would like to focus on the following programmes more vigorously:

- Increasing the intake of existing B.E. programmes and starting new B.E. programmes in high tech areas.
- Post Graduate programme in Management.
- Setting up the Science and Technology

- Entrepreneurship Park (STEP) and Entrepreneurship Development Cell (EDC).
 - Creation of new Centers of Excellence.
 - Product Development and Technology Transfer.
 - Making NSIT a world class Knowledge Organization.
 - Conferment of Deemed-to-be University Status to Netaji Subhas Institute of Technology in near future – which continues to be a cherished goal.
- In the last but not the least, I would like to advise the young graduands to remember the following, wherever you are in the world:

Remember 3R's:

Respect for self, Respect for others, Responsibility for all your actions.

Do the right thing regardless of what others think.

Never swap your integrity for money, power or fame.

Don't confuse comfort with happiness, and wealth with success.

Keep in touch with your alma mater and keep the NSIT name.

JAI HIND

AWARD OF DIRECTOR'S GOLD MEDAL

FOR BEST ALL ROUNDER

NAME OF THE STUDENTS	BRANCH	YEAR
D. LAKSHMI	13/ECE/97	1997-2001
APOORV GOVIL	306/MPA/98	1998-2002
ANU CHAUDHARY	607/COE/99	1999-2003

AWARD FOR THE BEST PROJECTS

ELECTRONICS AND COMMUNICATION ENGINEERING

TITLE: "Methods of Quadratic Phase Coupling".

1. 04/ECE/97

RAMAN ARORA, SHAILESH PATIL

Guide: Dr. Harish Parthasarthy

TITLE: " Log Domain Paradigm".

1. 36/ECE/98

MONIKA SARDANA

2. 56/ECE/98

SAURABH GUPTA

Guide: Prof. Raj Senani

TITLE: " Realization of Analog Circuits using floating gate MOS Transistors".

1. 537/ECE/99

PANKAJ SHARMA

2. 542/ECE/99

PUNEET NAYYAR

3. 558/ECE/99

SUKHBIR SINGH

Guides: Prof. Raj Senani

Sh. R. K. Sharma

AWARD FOR THE BEST PROJECTS

COMPUTER OF ENGINEERING

TITLE: “ Adaptive Navigational Behaviour of a robot through evaluation of Neural System.”

1. 131/COE/97

PRASHANT ARYA

Guide: **Ms. Shampa Chakraverty**

TITLE: “Enhanced Analytical Modules for TCP over wireless network”.

1. 133/COE/97

R. RAMESH V.

Guide: **Mr. M. P. S. Bhatia**

TITLE: “Project Network Simulation Tool”.

1. 118/COE/98

DHEERAJ KAUSHIK

2. 103/COE/98

AMARPAL SINGH

Guides: **Ms. Anubha Gupta**

Mr. S. P. Singh

TITLE: “ User Profile learning for Personalization in Web Information Retrieval”.

1. 162/COE/98

VARUN TALWAR

Guide: **Mr. M. P. S. Bhatia**

TITLE: “Intension Mining A User Centric Approach to Data Mining” .

1. 620/COE/99

GAUHAR WADHERA

2. 641/COE/99

PRENAYAN KAUL

Guide: **Mr. M. P. S. Bhatia**

TITLE: “MIPS Processor Emulator-Hardware software Codesign”.

1. 607/COE/99

ANU CHAUDHARY

2. 621/COE/99

GAURAV BHATNAGAR

Guide: **Mr. M. P.S .Bhatia**

AWARD FOR THE BEST PROJECTS

DIVISION OF INSTRUMENTATION AND CONTROL ENGINEERING

TITLE: "Enhanced Analytical Models for TCP Over Wireless Networks".

- | | |
|---------------|-------------------------|
| 1. 210/ICE/97 | ERRAMILI VIJAY |
| 2. 242/ICE/97 | SWAPNIL DIPANKAR |
