Adv. No. NSIT/ Rectt./ Project/ 2005/1

Delhi Institute of Technology which was later renamed as Netaji Subhas Institute of Technology was established in 1983 to meet the growing demand for manpower in emerging fields of engineering and technology. The Institute is administratively autonomous body of Govt. of NCT of Delhi, and has academic affiliation with University of Delhi. The Institute has carved a niche for excellence in Technical Education and Research at national level; with the aim of achieving 'DEEMED-TO-BE-UNIVERSITY' status in near future.

The new campus of the Institute, at Dwarka, is spread over 145 acres of land. The Master Plan of the Institute was approved by the DDA in 1992. As per the approved Master Plan, 244311 sqm. of floor area is to be constructed in phased manner as per the growing demand envisaged during the coming years.

Govt. of Delhi has approved Phase-III of the plan for providing better academic environment and a self contained residential infrastructure to its students from all over India, the Institute has undertaken a Project for construction of three Hostels. The Project is scheduled to be completed by March, 2006.
